

Journey to Missions

Every journey is different; here are some resources to ensure that you keep moving forward.

Research and Learning

Start with [Go Serve Love](#) or [Ask a Missionary](#) to find helpful resources and tools that guide and equip prospective global workers for long-term success on the mission field. Read responses from real missionaries about real-life issues and challenges.

Find an Agency

Use [The Mission App's](#) directory tool to sort through mission agencies by your interest and call. Fill out ONE application to reach out to all the agencies that fit you! Our team will be in touch to guide you on the journey.

Missionary Training

Explore holistic quality training options from [Global Frontier Missions](#). Discover the benefits of cross cultural experience - whether it's a weekend, 5 month or 2 year opportunity. You might attend a training school or join Missionary Residences, or even SLICE in South Asia.

Master Support Raising

Learn how to mobilize a partnership team from [Support Raising Solutions](#). Check out their guides, network and attend an SRS bootcamp. Learn alongside others and see God raise up a healthy support team that will stick with you in ministry!

Sustainable Ministry
